

What do you spy at Mount Vernon?

GEORGE WASHINGTON'S
MOUNT ★ VERNON

Enslaved women lived in the **women's bunkroom**.

The **greenhouse** kept plants warm

The **blacksmith** made tools out of iron.

Salt was important for preserving food.

The **cupola** helped keep the Mansion cool.

Compost at the **Dung Repository** helped the gardens grow.

George Washington's coach and horses were in the **stable**.

Sheep fleece was spun and woven in to wool cloth for clothing.

Oxen plowed dirt on the farm.
