When and where is Packet Pick Up?

Packet pick up will be held at George Washington's Mount Vernon during the following times:

- Friday, September 6: 1:00 p.m. to 7:00 p.m. (near main gift shop)
- Saturday, September 7: 10:00 a.m. to 4:00 p.m. (near main gift shop)
- Sunday, September 8 (Race Day): 5:30 a.m. to 7:45 a.m. (in the GW Parkway Circle near the start line)

On-line registration will be open until 7:30am on Sunday, September 8 (Race Day). If you decide to register on Race Day, you can do so online [here](#). In-person registration will be available at Friday and Saturday packet pick-ups (see schedule above).

Can I have a friend or family member pick up my packet for me?

Yes, if you are unable to attend packet pick up, a friend or family member is allowed to pick up your packet for you. They will need to bring your registration confirmation which you received via email upon registration.

I cannot make the race this year; can I get a refund or transfer my race entry to another participant?

We do not allow refunds. But you can transfer your entry to another runner up until the close of the packet pick up on Friday, September 6. Please do not give your bib number to another runner yourself without our knowledge. Rather, let us change the name on the registration to the new runner so that runner's information will be on record in case of an emergency and for timing purposes. Contact us at events@mountvernon.org to process a transfer.

Can I change information (address, email, name, age, etc.) on my registration?

Yes. If you would like to change information on your registration, please contact events@mountvernon.org and we will work to resolve your questions.

I picked up my bib number at packet pickup and I don't see my chip in my packet. What do I do?

No chips here. Instead, we use the timing tag affixed to the back of the bib number. Please do not remove this tag. Your times will not be recorded if you do not wear your bib number. And please do not swap bibs with anybody else. It will disrupt our results and will delay medical intervention if your bib and your emergency contact information do not match up.

Can I wear headphones during the race?

The use of personal music devices is strongly discouraged at this race. Please run responsibly and be courteous to your fellow runners and to race officials.

Are strollers allowed on the race course?

We understand that running with your children can be a fun (and challenging) experience. Strollers are welcome in this race, but we kindly ask that you start at the end of the pack so that runners are not blocked by any strollers. Please note that the path leading up to the finish line is gravel so we recommend strollers with wide/trail appropriate tires.

What is the time limit for the 5k and 10k?

To reduce the inconvenience to area residents, the National Park Service will reopen George Washington Memorial Parkway promptly at 9:30 a.m. for vehicular traffic. Runners and walkers who have not reached the finish line by 9:30 a.m. will be kindly redirected by race officials to the nearby Mount Vernon Trail which runs along the side of the GW Memorial Parkway all the way to George Washington's Mount Vernon. Official race timing ends at 9:30 a.m. Runners who finish the race after 9:30 will not have their race times recorded.

What will the road closure situation look like on race morning so I can plan my drive?

U.S. Park Police are expected to close the George Washington Memorial Parkway (south of Waynewood Blvd.) at 7 a.m. for all vehicles except shuttle buses. No traffic will be allowed on the Parkway after 7:30 a.m. These times are estimates; the U.S. Park Police may close roads earlier at their discretion. Please allow plenty of time for your drive. George Washington Memorial Parkway will reopen in its entirety no later than 9:30 a.m.

What if I need medical attention during the race?

Please take good care to run within your abilities. But if you need medical attention along the course, it will be available. Please ask for help from an EMT, police officer, course marshal or at the water stop. Medics will be patrolling the course and will be ably handling finish line duty at the official medical tent.

What do I need to know about the shuttle buses to the start?

There is a limited number of on site parking spaces available for purchase during registration. Once those spaces are sold out, all other participants wishing to park will need to take advantage of the free shuttles from the United States Patent and Trademark Office. If you purchase on site parking during registration, you will receive a parking pass at packet pick up with directions to the on site parking area. ***Participants who purchase on site parking must attend either Friday or Saturday packet pick up. On site parking passes may not be picked up on race day.***

All runners and spectators who do not purchase on site parking have two transportation options:

OPTION 1: Parking & Shuttle

United States Patent & Trademark Office (USPTO)
600 Dulany Street (Entrance to west parking garage is on Elizabeth Lane)
Alexandria, VA 22314

Participants and spectators may park for free at USPTO and take a shuttle to George Washington's Mount Vernon. USPTO shuttles will be staged in front of the USPTO at the corner of Eisenhower Blvd. and Hooffs Run Dr. The shuttle times are as follows:

- The first bus leaves USPTO for George Washington's Mount Vernon at 5:30 a.m.
- The last bus leaves USPTO for George Washington's Mount Vernon at 7:00 a.m.
- The return bus from George Washington's Mount Vernon to USPTO will run from 9:30 a.m. – 11:00 a.m.

OPTION 2: Kiss & Ride (two minute walk to starting line)

United States Post Office – Mount Vernon
3500T Mount Vernon Memorial Highway
Mount Vernon, VA 22121

The US Post Office is a drop off ONLY location. This is a "Kiss & Ride" option; no parking will be available at this location.

I brought most of my life's possessions to the start area and gave them to the nice people at Bag Check. Will I get them back at the finish line?

Of course. That's why we have great volunteers and our trucks on site to hold your belongings and take them to the finish festival. Each runner will be issued a clear plastic bag at packet pick up. You must use this clear plastic bag to check your personal belongings at Bag Check. Backpacks and other types of bags will not be accepted at Bag Check. Please keep your belongings to a minimum! Remember, this is a race, not a week's vacation.

IMPORTANT: all backpacks, bags and containers larger than 16x16x8 inches are prohibited from entering Mount Vernon, and therefore will not be allowed on buses transporting participants, volunteers, and spectators to from USPTO. No one will be allowed to board a bus with a bag or container larger than 16x16x8 inches. This policy applies to all event attendees, including children. Please read Mount Vernon's prohibited items policy [here](#).

Is there drinking water on the course?

Yes, there will be water stops for both 5k and 10k runners. But, it would be a great idea to hydrate really well before arriving at the start line.

Will I get a finisher's medal?

Yes, all 5K, 10K and Kids Fun Run finishers receive a commemorative George Washington finisher's medal after they cross the finish line. Wear it proudly; you earned it!

What if I ordered a t-shirt and unbelievably I lost two shirt sizes during training?

The t-shirt size you ordered is the t-shirt size we will give you at packet pick up. However, we will give you the opportunity to exchange – for smaller sizes and for larger sizes – at the Volunteer/Information tent in the finish festival area based on availability of sizes on the morning of the race.

Where are the best viewing spots for the race?

Join us near the finish line in the historic area of Mount Vernon. Discounted admission tickets are available in advance [here](#). Or, full price general admission tickets are available at the Ford Orientation Center on race day.

I hear there is a really fun Kids Fun Run right in front of the Mansion. What are the details?

The Kids Fun Run is a non-competitive, just-for-fun run/walk intended for children 12 and under. The Kids Fun Run will take place at 10:00 a.m. in the historic area near the 5K/10K finish line. The race course is 0.24 miles and the surface is compacted dirt/gravel. Children 6 years or older and accompanying adults/parents of the children participating in the Kids Fun Run must purchase admission tickets. Discounted admission tickets are available in advance. Or, full price general admission tickets are available at the Ford Orientation Center on race day.

What time is the awards ceremony? Will I be rewarded for running really fast?
